PRODUCT DESCRIPTION

This Petrified Wood Vide Poche exemplifies nature's artistry transformed into a timeless decorative piece. Measuring 9 inches by 6.75 inches with a height of 2 inches, it is crafted from beautifully preserved petrified wood, each piece uniquely patterned with the ancient, natural grain of the wood it once was. The rich, earthy tones and intricate details captured in the fossilization process are highlighted by a meticulous polishing process, which brings out a smooth, glossy finish. Ideal for collecting keys, jewelry, or as a striking standalone display, this vide poche combines historical intrigue with functional elegance, making it a captivating addition to any interior space. Measures: 9" x 6.75" x 2"
