PRODUCT DESCRIPTION

CREEL AND GOW

Pierre Giraudon Resin Mount of Dried Plant with Berries. One of a kind 1950s dried plant embedded in resin by Pierre Giraudon. This piece was purchased in Paris from the studio of Pierre Giraudon. Pierre Giraudon combined art, nature and science by perfecting the technique of casting flora and fauna in resin. He accepted many commissions in his life including from the French government, Shah of Iran and King of Morocco. Giraudon often worked in collaboration with the other artist including Salvador Dali and Cesar. Very small chip on one corner. 10" Height
