PRODUCT DESCRIPTION

Rock Crystal Point: This stunning rock crystal point is a mesmerizing display of natural beauty, expertly crafted to showcase the unique qualities of this exquisite mineral. Measuring 3 inches by 2 inches at the base and standing at a height of 8 inches, this rock crystal point is an impressive addition to any decor. The crystal is expertly shaped to a point, allowing the light to refract and reflect through the crystal, creating a dazzling display of natural colors and patterns. The clarity and purity of the crystal are evident in its flawless transparency, allowing the natural inclusions and variations of the mineral to be fully appreciated. This rock crystal point is a must-have for anyone who appreciates the beauty of natural minerals, and is sure to be a conversation starter in any setting. Use it to add a touch of natural elegance to your home or office decor, or give it as a unique and memorable gift to someone special. 3.25" x 3" x 13.5"
