PRODUCT DESCRIPTION

Vide pochés, French for "empty pockets," are both functional and decorative accessories designed to hold small everyday items such as keys, coins, and jewelry. Typically crafted from exquisite materials like rock crystal, these pieces are valued for their clarity and natural luminosity. The meticulous craftsmanship involved in carving each piece from a single block of crystal ensures a polished, smooth finish that accentuates the inherent beauty of the material. With their compact and elegant design, vide pochés serve as sophisticated additions to any refined space, blending artistic charm with practical utility.
