### PRODUCT DESCRIPTION

Roger Capron (1922–2006), Coffee Table with Glazed Terracotta Tiles, France, circa 1960s–70s A mid-20th century coffee table designed by renowned French ceramist Roger Capron, featuring a lacquered wooden base with cylindrical legs and a striking glazed terracotta tile top. The surface is decorated with a series of twelve hand-printed tiles arranged around a central plain tile panel, each tile depicting finely detailed motifs of roosters, hens, ducks, and other birds interspersed with botanical imagery. Signed R. Capron within the decoration, this piece exemplifies Capron's celebrated fusion of utilitarian design and decorative artistry, reflecting his distinctive style that brought Vallauris ceramics international acclaim. Dimensions: 38.5" W × 26.75" D × 11" H.
