Text by Melissa Biggs Bradley Photography by Guido Taroni Stunning photographic volume showcasing the interior décor of Africa's foremost luxury and eco-safari lodges Safari Style unveils Africa's new generation of camps and lodges in a lavish volume of spectacular photographs. The book captures the astonishing settings and design ingenuity of the 21st-century safari destination—from the classic camps of Botswana to the indulgent resorts of South Africa and the inspired eco-designed camps of Rwanda. Handpicked for their outstanding locations in wildlife enclaves, and for their distinctly regional architecture and interiors, these special properties represent the ultimate African encounter. Drawing on the early decades of the 20th-century tradition of safari, they have reinvigorated the experience with access to parts of Africa previously out of bounds, notably Rwanda, Namibia and Zimbabwe. These new camps and lodges reinvent the safari and represent a fresh approach to wildlife conservation involving local populations. 352 pages 9¼ x 12 in. , portrait 350 illustrations Hardcover with jacket ISBN 978-0-86565-386-3 Publication dateL Sep, 2021
