PRODUCT DESCRIPTION

CREEL AND GOW

Silvered Architectonica Shell. Available in 2" and partially silvered 2". Each shell is unique and made by hand. Creel and Gow has been working with the same atelier in Rome, Italy for over 20 years to make our signature silvered shells. Our workshop has been operated by the same family for generations. For decades, this family has also done restoration work on silver pieces for the Vatican. See Also: Silvered Capa Santa
