SOLOMON ISLANDS ETHICALLY HARVESTED NATURAL BLUE CORAL SPECIMEN 10.5"H

SKU: c213_VLBC

Categories: [Natural Specimens](#), [Oceanic](#)

PRODUCT DESCRIPTION

Ethically sourced, sizable natural blue coral specimen from the pristine waters of the Solomon Islands. Each of these remarkable pieces is a singular masterpiece in its unaltered state, bearing a distinctive character and charm. This particular specimen boasts captivating inclusions of pristine white that elegantly enhance its soft, pale blue hue, making it a truly exceptional addition to any collection.
