PRODUCT DESCRIPTION

Bring a touch of exotic intrigue to your collection with this striking mounted pied crow taxidermy. Known for its bold black and white plumage and sharp intelligence, the pied crow is native to the vast and diverse landscapes of Africa. Often considered a crow-sized raven, this unique bird showcases the adaptability and curiosity of its species, even having the fascinating ability to hybridize with the Somali crow in overlapping habitats of the Horn of Africa. The mount itself captures the crow in a lifelike pose, emphasizing its sleek form and distinct coloration. Measuring approximately 10" x 7" x 23", it is the perfect size to command attention on a shelf, mantelpiece, or display case without overwhelming the space. A piece like this not only sparks conversation but also serves as a celebration of the natural world's intricate beauty and surprises. Whether you're a collector of avian specimens, a lover of unique decor, or simply drawn to the mystique of crows, this mounted pied crow is a one-of-a-kind addition to any setting.
