PRODUCT DESCRIPTION

The Sunday Times Gardening Book of the Year. Described by Vogue as 'the revelatory garden book for our age' and a 'splendid new book' (Sebastian Shakespeare, Daily Mail), The Private Gardens of England is a glorious celebration of the art of gardening through some of the country's hidden horticultural jewels. Thirty-five English private gardens, thoughtfully selected by the writer and designer Tania Compton, are vividly described in the words of their owners, who bring an astonishing sense of intimacy to their own creations as well as their collaborations with some of the leading garden designers of today.
