Categories: [Taxidermy](#), [Nature](#)

PRODUCT DESCRIPTION

This Lady Amherst Pheasant wall-mounted taxidermy specimen is a stunning piece that captures the beauty and grace of this iconic bird in mid-flight. Measuring 32" x 12" x 40"H, this mount is the perfect addition to any collection, whether you're a hunter, a wildlife enthusiast, or simply someone who appreciates the beauty of the natural world. The Lady Amherst Pheasant is a striking bird native to the mountainous regions of China and Burma, with distinctive long tail feathers and a colorful plumage. This mount captures these features with incredible detail, from the bird's intricate feathers to its mid-flight pose. This mount is a true work of art and would make a fantastic addition to any collection, providing a unique and captivating display that will impress all who see it. Whether you choose to display it in a town or country setting, this Lady Amherst Pheasant mount is sure to delight.
