TIME FLIES: MID-CENTURY ILLUMINATING OWL CLOCK WITH AGATE EYES

\$4,000.00

SKU: dec4

Categories: [Decor](#), [Lighting](#)

PRODUCT DESCRIPTION

This mid-century illuminating owl clock is a stunning fusion of artistry and functionality. Measuring 8 inches wide, 11.5 inches deep, and 15.5 inches tall, this unique timepiece features mesmerizing agate eyes and a captivating agate clock face. The owl's body is crafted with a textured, gold-toned finish that adds a touch of elegance. When illuminated, the clock casts a warm, enchanting glow, highlighting the natural beauty of the agate and the intricate details of the owl's design. Perfect for collectors and those with an eye for distinctive decor, this owl clock is a remarkable statement piece.
