PRODUCT DESCRIPTION

This 6-inch Tourmaline Quartz Bowl is a stunning showcase of nature's artistry, blending the clarity of quartz with the dynamic inclusions of black tourmaline. Standing 2.5 inches tall, it captures the eye with its striking contrast and intricate patterns. Each piece of tourmaline quartz is unique, ensuring that every bowl is a one-of-a-kind creation. The bowl's substantial diameter and height make it an impressive centerpiece or a luxurious holder for treasured items. The polished finish accentuates the natural beauty of the tourmaline strands, which are believed to offer protective and grounding qualities. This exquisite bowl melds form and function, providing a sophisticated touch to any space while celebrating the natural world's inherent beauty. Measures: 6" in Diameter / 2.5" in Height
