PRODUCT DESCRIPTION

This Victorian easel, masterfully crafted from oak, is a testament to the intricate artistry of the 19th century. The piece features a striking hand-carved peacock motif at the top, surrounded by delicate floral like details, symbolizing elegance and sophistication. The twisted spindle columns enhance its refined aesthetic, while the adjustable support adds functionality. The base is adorned with ornate brass claw feet, providing both stability and a touch of antique grandeur. Perfect for displaying fine art or cherished photographs, this easel combines practicality with timeless beauty, making it a distinguished addition to any art connoisseur's collection. 64.5"H
