PRODUCT DESCRIPTION

Vintage Brass Umbrella Stand in the Form of a Boot A whimsical mid-20th century brass umbrella stand modeled in the form of a high boot, featuring a gilt-finished shaft with a contrasting darker patinated cuff and foot, adorned with a stylized bow accent at the ankle. The playful yet practical design reflects the era's taste for novelty home décor, combining functionality with sculptural form. Likely Italian in origin, such boot-form umbrella stands were popular in the 1950s–1960s for entry halls and foyers. Displays an appealing aged patina consistent with use and age. Dimensions: 20.75" height × 13.5" depth × 8.5" length.
