PRODUCT DESCRIPTION

Wish Me Luck Casa Lopez Tableware, Green: Delicate green or blue leaves, as if picked up in the moment, adorn these plates with a white background hemmed with a rim of the same color. Entirely made in Portugal in the traditional way, the Clover service is hand-painted.

Both charming and eternal, a sign of renewed luck, it includes large plates and dessert plates where the lucky charm is placed in the center. Its eternal theme makes it an essential part of the table. It can be mixed with other ceramic pieces, and can be used on all types of tables. It is also a wonderful message gift.
