PRODUCT DESCRIPTION

Wish Me Luck Napkin, Blue: These Napkins are covered with a stylised shamrock pattern and edged with a plain passe poil with an 18th century cut-out. By revisiting with great creative freedom the forms and Indians of the Age of Enlightenment, they bring to the tables where they are placed an exquisite note of French elegance. Available with plain napkins with a majestic shamrock, they come in three colours: lapis blue, moss green and cherry red. You can mix and match them with a plain service or play the mix and match card with Matisse-style colour schemes. 50 x 50 cm
